## THE 1<sup>ST</sup> INTERNATIONAL CONFERENCE ON GREEN LIBRARIES

LET'S GO GREEN!

ZAGREB NSK / BRIJUNI, CROATIA, 8 - 10 NOVEMBER 2018

### Project NSK Green Library for Green Croatia

#### The 1st International Conference on Green Libraries *Let's Go Green!*

Zagreb (NSK)/ Brijuni, Croatia, 8-10 November 2018

Organizers:

National and University Library in Zagreb

Croatian Library Association – Working Group for Green Libraries

**Exhibition:** Green Literacy: selection from the ecological fund of the National and University Library in Zagreb (2015 – 2018)

**Authors:** Iva Plejić Brnčić and Ana Rubić

The exhibition is based on the selection of publishing production from the NSK Fund and includes monographs (foreign and domestic) from 2015 to summer 2018, as well as current domestic periodicals. The publications were selected based on ecological topics, applying the criterion of the UDK mark (502/504 and 502.1) and the criteria of certain subjects (ecology, preservation of natural resources, protection and environment, environment and society). The role of this insight in the part of the “green” NSK fund is to popularize ecological topics and emphasize the role of libraries in stimulating and strengthening ecological awareness of the library users.
